***The Captain is responsible for making sure there are enough people present in time to serve and leading the group in prayer before the service. The 8:45 Captain takes the offering (with another person) to the box in the welcome corridor. The 11:00 Captain takes the offering box into the office after finding someone with a key to accompany him/her.**

****It is not always practical to be physically in the prayer room. Please just remind yourself to be in prayer for the service and those on the prayer list. You don't need to replace yourself if you can't be in that space at that time. Feel free to use the prayer room at any time. The code is: 2 & 4 pressed at the same time, released, and then 3. Another option is to pray in the area behind the sanctuary where we assemble before the service. There will be prayer sheets available there.**

Please use your list of active deacons to replace yourself if you have offering or invocation duties or if you are Deacon of the week. Also, let Kirsten know of changes. Thank you.
